Pine Tree Breakfast and Lunch Menus for April

A few helpful tips as we all get used to the new meal app.

If you are having trouble getting into the new meal app, you can also try accessing it through the SAU 9 homepage. From there, click on the parents tab at the top. Then, click on "Food Service" in the left hand column. Next, click on "School Lunch Menu" (with the knife and fork icon). That will bring you to the new menu link where you'll need to enter "location". In the location search bar, type in Pine Tree Elementary and hit enter. Conway Pine Tree Elementary School, NH will pop up, click on that and the site will bring you to the menu options.
